

# The 47th Portsmouth Open Karate Tournament

Dear Club Secretary,

Here are the details for the forthcoming POKT being held on the 18th November. Feel free to print them and return via mail if that is easier for you or you can enter the details directly onto the sheet on your computer and return the completed documents via email.

Please **read** the notes and pages carefully and ensure the ages, categories and fees payable are correct as this will greatly help the organisers as well as remove issues with incorrect entries and disappointment on the day.

It is your responsibility to ensure each competitor is in the correct category for their age/size/grade/etc.

Please help make this day a memorable one and better still foster your students experience and spirit within shotokan karate.

I look forward to seeing you and your members on the day and thank you for your continued support.

Kind regards

M. R. Dewey

SEKU Chairman/Chief Instructor
